

⇒ [HOME](#)

Click on the logos for links to the formulary, guidelines and primary care website. Sherwood Forest Hospital prescribing queries portal can be accessed [here](#), also by clicking the link underneath the logos.

⇒ [ABOUT](#)

- Links and information to make a submission.
- Meeting dates, work plan and terms of reference.
- Documents such as the prescribing policy (transfer of prescribing responsibility between care settings) and the framework for managing submissions.

⇒ [SHARED CARE, GUIDELINES/FORMULARIES](#)

All the clinical documents are within these two tabs in alphabetical order. There is a search facility if you can't find what you are looking for.

⇒ [JFG](#)

Find meeting minutes and other information about the Joint Formulary Group which is a subgroup of the APC.

⇒ [PUBLICATIONS](#)

APC bulletins, meeting minutes and annual reports as well as the website documents and the committee members declaration of interest register.

⇒ [LINKS](#)

To other APC websites from other areas and their formularies. Useful links to national websites and other resources.

⇒ [PATIENT INFO](#)

FAQs about the APC and a suite of self-care leaflets for patients and clinicians.

⇒ [DEPRESCRIBING](#)

Links for clinicians to use during medication review and prescribing.

⇒ [COVID](#)

For useful medicines management guidance and resources relating to COVID 19.
