You will find medicines FAQs (<u>Pfizer Vaccine FAQs</u> and <u>AstraZeneca Vaccine FAQs</u>) which are updated regularly by the CCG medicines optimisation teams along with a range of additional medicines related resources as well as information about the Covid-19 vaccines. Access the <u>APC website here</u> to view all the information available.

Nottinghamshire Joint Formulary

There is an entry for the <u>Covid-19 vaccines on the NJF</u> which links to more information about the vaccines currently in use in the UK (Pfizer and AstraZeneca). You can easily access from the formulary page:

- vaccine FAQs (Pfizer and AstraZeneca),
- information for healthcare professionals (SPC) and for the general public,
- <u>chapter 14a from the Green Book</u> etc.

Other useful websites:

- NICE– Rapid guidelines and evidence summaries
- SPS (Specialist Pharmacy Service) SPS support and the COVID-19 Vaccination Programme
- GOV.UK Guidance for healthcare professionals
- GOV.UK Guidance for the public
- FutureNHS Collaboration Platform (log in required to access SOPs and paperwork relevant to the vaccination programme).

Feel free to contact the Interface team via <u>nece not sections net</u> if you have any questions or suggestions.
